- 2034: This is one of my all-time favourite stimuli. The original was called worm ball or wormz or worm ballz or something like that, found at Target. The one pictured was a later model that had hands or stars on the ends that I cut off. The last time I saw one (years ago) they had changed it so there was a solid mass with an LED in the middle
- 2035: giant pen with pen tip removed and cooper scourer pad on top
- 2036: cup-and-ball toy
- 2037: teething ring with a bit photoshoped out
- 2038: heart-shaped slinky fanned out
- 2039: LED top
- 2040: some rubber toy I found in the toy aisle

- 2041: massager
- 2042: this is a small personal fan with the blades removed
- 2043: Clacker *1043 in database*
- 2044: this is a diving toy (put it in a pool and dive after it) I found it in the Target dollar section, but they might have them online. The ball has a small weight.

2045: wooden ball toy
2046: keychain with bubbles inside, found that that new-age-y gift shop
2047: perfume sprayer from the pound store/dollar store
2048: see 2034
2049: slide whistle
2050: mobile phone stand for a car

2051: finger castanet
2052: noisemaker
2053: hand castanet (the top link could be painted)
2054: floating ball game
2055: aroma therapy oil burner
